HASHOMER HATZAIR has in Brasil not only shlichim sent by the Sochnut but also shlichim sent by Kibutz Artzi. Kibutz Hameuchad which is here a very small tnuá has also two shlichim while we not only don't have shlichim from Ichud Hakvutzot V' Hakibutzim but even not the quota granted by the Sochnut. This situation is naturly very unfavourable for us.
