TO EVERY NATIONAL MAZKIRUT OF ICHUD HABONIM IN THE GOLAH.

We send you greetings from a country to which no doubt all of you are looking at this moment with fear and worry, because of the present situation in this area.

It is very important, that in these days of trial, our Hanhagot should be even more awake and should continue day-to-day activities intensifying our educational work.

We are appealing to you with a request to make every effort to send on Aliyah, Garinim and Aliyah Groups, in order to bring new strength to our country, which needs it, and to the border settlements, which are crying out for manpower because of the general mobilization.

We are convinced that this situation brings a challenge to every Movement, and we hope that you will stand up to these new assignments.

•  
ALEH VEHAGSHEM,

In The Name of the Mazkirut Olamit of Ichud Habonim,

•  
Yisrael Avidor.
